Have you seen the newest
addition to our gaming nirvana?

Free games!

The fun thing with mortal pleasures is that you can enjoy 'm when you are still alive. When you loose a game, you won't exactly die! Joy, isn't it?

So we Immortals of the Gate welcome thee to our gaming restaurant at the other end of the Internet. Sit down, choose the mental food you like and behold our instant delivery! Forget the bill: let free games be your thrill.

What you like is what we like: succes, happiness and lots of friends. We can't help you with all (we are telepathic, but your computer distorts the signal:)), but we surely can make you happily embraced by your succes. Fight well and enjoy the pleasure!

The Dream Team,
Euro-Partners New Media

If you visit the E3Expo, do hop along at booth 7248.
Gamegate.com conquers the Universe!

Btw:

Visit our Multi Player Game Center too, if you want to play with other biological intelligent entities (that is <http://web.archive.org/web/19990420040611/http://www.mpgc.com/>).
See you!

cool!

Notification

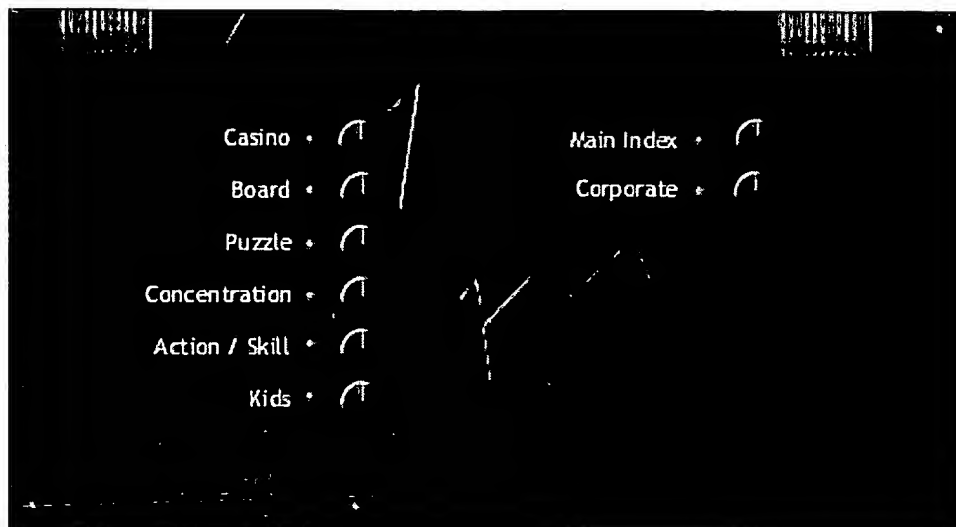

All our games are programmed in Java. That's cool with a capital J! Due to this path we walk upon, you will want to have a java capable browser like Netscape 3.0, Internet Explorer 3.0 or better.

If you like these games, and have a site that needs attention just a bit more, please contact us! Our games are leasable, and we can even change the look to match your needs. Of course the Dream Team can build new games or new sites for you if that is what you want.

If you want to know more of our organization and the products we sell and lease, please feel free to send an E-mail to gamegate@euro-partners.nl. You can also contact us by phone. Just call Euro-Partners New Media in the Netherlands, + 31 (0)73 692 95 10. We will gladly be of help!
